

Cub Cadet®

EXPERIENCE THE ULTIMATE

ULTIMA

ZT | ZTS | ZTX | ZTXS

ULTIMA SERIES™

The award-winning Cub Cadet® Ultima Series isn't just a better zero-turn, it has redefined the zero-turn experience, offering uncompromising strength, comfort and a premium cut every time. Step up to the ultimate all round mowing experience.

ULTIMATE STABILITY

Synchro-Steer™ models deliver unrivalled control when mowing slopes of up to 20-degrees.

UNRIVALLED STRENGTH

Strong continuous 2" x 2" tubular steel frame.

PREMIUM POWER

Premium V-Twin Kawasaki® and Cub Cadet engines or Lithium-Ion battery options.

RIDE IN COMFORT

Adjustable high-back comfort seats.

COMFORTABLE STEERING

Over molded and adjustable rubber hand grips help reduce vibration.

BEST-IN-CLASS CUT

AeroForce™ fabricated cutting decks deliver Cub Cadet's pristine signature cut.

EASY MAINTENANCE

Hinged floor pan and open rear design allow easy access to deck and engine.

ULTIMATE PEACE OF MIND

Backed by a 6 year (ZTe) or 3 year residential (ZT/ZTS), and up to 2 year commercial warranty (ZTX/ZTXS).

SYNCHRO-STEER™ TECHNOLOGY

Cub Cadet's patented Synchro-Steer™ Technology provides unbeatable zero turn handling, especially on steep terrain, with safe hill holding capability on slopes up to 20 degrees.

Like traditional zero turn mowers, the rear wheels on a Synchro-Steer™ machine can move forwards or backwards independently, allowing for a zero radius turning circle.

Unlike other zero turn mowers, Cub Cadet's four wheel steering technology means the front wheels grip and steer, rather than rolling downhill.

The result is safe and predictable zero turn handling even on steep slopes.

No more wobbly front wheels sliding around and tearing up your turf. Simply steer where you want to go and let Synchro-Steer™ do the rest.

ULTIMA SERIES™

ZT, ZTS & ZTe

Ultimate Capability

- V-Twin Cub Cadet and Kawasaki® engine options, or Lithium-Ion battery power
- Dual EZT 2200 transmission (ZT1/ZTS models)
- Synchro-Steer™ 4 wheel steering technology (ZTS models)
- Safe handling on slopes up to 20 degrees (ZTS models)

&

Tougher Than Tough

- Strong continuous 2" x 2" tubular steel frame
- 11ga AreoForce™ fabricated steel cutting deck (ZT/ZTS models)
- Backed by a 6 year residential warranty (ZTe model) or 3 year residential warranty (ZT/ZTS models)

First-Class Comfort

- Easy steering
- Fully adjustable premium high-back seat
- Soft touch ergonomic lap bars or steering wheel
- Rubber floor mat to reduce vibration

&

STEP UP TO PREMIUM WITH ZTX / ZTXS

ZTX & ZTXS

Excellent Control

- Kawasaki® engines up to 25.5HP
- Dual Hydro-Gear ZT-3100 or ZT-3200 transmission
- Suitable for blocks up to 12 acres

Forged for Strength & Durability

- A strong, continuous 1.5" x 3" tubular steel frame
- 10ga AreoForce™ fabricated steel cutting deck
- Tubular steel rollover protection provides safety
- Cutting deck options up to 60"

Ultimate Comfort

- Adjustable steering column that tilts for easy steering
- Fully adjustable premium 24" high back seat
- Independent suspension caster wheels that deliver a smooth ride with less vibration (ZTX models)
